

LIFELINE ASSISTANCE

What Is Lifeline Assistance?

- Lifeline Assistance is a government assistance program that provides a monthly credit to the local telephone service bill of residential customers. Lifeline Assistance is designed to make basic home telephone service even more affordable for qualified customers.
- If you qualify for Lifeline Assistance, Union Springs Telephone Company will discount your local telephone charge by \$12.75 each month.

What Restrictions Apply to the Lifeline Program?

- Lifeline customers may subscribe to any local telephone service plans offered by Union Springs Telephone Company, but the discount may only be applied to local telephone charges.
- **Lifeline Assistance is a federal benefit – willfully making false statements in order to receive government assistance can result in a fine or imprisonment or cause the subscriber to be de-enrolled or barred from the program.**
- Lifeline Assistance is only available for one telephone or wireless (cellular) line per household, which is used as the primary residential line.
- For purposes of the Lifeline program, a “household” is defined as any individual or group of individuals who live together at the same address and share in the household’s income and expenses. A household may include related and unrelated persons.
- The household may not receive Lifeline benefits from more than one service provider – that is, if someone in the household receives a Lifeline discount on wireless (cellular) service, the household would not also qualify to receive a discount on home phone service.
- Violation of this “one-per-household” rule is a violation of the rules of the Federal Communications Commission (“FCC”) and will result in the subscriber’s de-enrollment from the Lifeline Assistance program and possible prosecution by the United States Government.
- Lifeline Assistance is also a non-transferable benefit – it is a violation of federal law to rent, sell or give away your Lifeline service to any other individual.
